Illinois Conceived and Foaled Quarter Horses
Dear Breeders and Owners:

We are pleased to present the Illinois Department of Agriculture’s 2012 foal registration Annual Report. This information has been compiled to provide an easy reference tool for foals eligible to be included in our breeding and registration programs.

The horse racing industry across the country has had some highs and lows over the last few years. The Governor and the Department continue to stand behind those involved in the Illinois horse racing industry. We share your hope that the upcoming breeding year brings greater incentives to be involved in the Illinois breeding programs.

We thank all those involved in this great industry and for your continued support and participation. We look forward to working with each of you to make Illinois’ breeding and racing programs the best they can be.

Sincerely,

Charlyn Fargo
Bureau Chief
County Fairs and Horse Racing
