25x'25 is a national coalition organized to promote a national goal for America's energy future. National, state, and local organizations, companies, and governments support 25x'25 with over 150 Illinois Alliance members. The 25x'25 coalition’s goal for America is to produce 25 percent of our energy from renewable resources such as biofuels, wind, solar, and hydroelectric by the year 2025.
