Why will 23,000 potential buyers attend IFT next year?

- ◇ To see the products
- ◇ To witness the trends
- ◇ To buy for their businesses
- ◇ To talk shop with peers
- ◇ **To do business with you**

Thousands of food professionals from across the globe make their way to IFT each year to network with peers and purchase new products, technologies, applications and services. The IFT Show is the premier ingredient show in North America and continues to grow and improve with each passing year.

The Illinois Department of Agriculture will be sponsoring a pavilion at this year's IFT Show and will pay for half of the cost of each 10x10 booth in the pavilion.

Your 10x10 IFT Booth will include the following:

Pipe & drape	Wastebasket
Carpeting & carpet padding	Company signage
Daily vacuuming	Listing in the official show directory
Table	4 Exhibitor badges

Space is limited and will be allocated on a first-come, first-served basis. Booths will not be considered sold until both a Participation Agreement and Payment in full are received by the Illinois Department of Agriculture. To qualify for the Illinois Pavilion, a company must produce, process or be headquartered in the State of Illinois.
