COUNTY ESTIMATES FOR 2008 NOW AVAILABLE

The official estimates of acreage, yield and production of corn, soybeans and wheat for counties in Illinois for 2008 have been released by the USDA's National Agricultural Statistics Service, Illinois Field Office. Yield and production estimates for the top ten counties are listed below. Data for the remaining counties can be obtained by contacting the Illinois Field Office at 800-622-9865 or you can find the information on our website at <http://www.nass.usda.gov/il>. From that point, click on County Estimates near the center of the screen.
