To: Registered Serviceperson Companies and Technicians

From: Teresa Farmer, 217.557.3980

Subject: Scheduled Testing Dates for Year 2015

The Bureau of Weights and Measures has selected the following Year 2015 dates for the testing of Registered Serviceperson Technicians.

**Testing is held in Springfield, Illinois at the Department of Agriculture Building located at 801 E. Sangamon Ave. (Gate 11) on the Illinois Fairgrounds.**

*Note: Additional testing dates (one in the summer and one in the fall) in the Chicago area will be added. Chicago area testing site and dates are yet to be determined. Seating is limited.*

All testing dates are on a Wednesday.
Testing begins at 9:00 a.m. and must be finished by 12:00 p.m.

February 18
March 18
April 15
May 20
June 17
July 15
August 19
September 16

November 18

*NOTE: The test is an open book test. You will need a Handbook 44 (this information may be downloaded from the NIST website [www.nist.gov](http://www.nist.gov)) and an Illinois Laws and Rules and Regulations Relating to the Weights and Measures Act and Motor Fuel and Petroleum Standards Act ([www.agr.state.il.us](http://www.agr.state.il.us)). The general code (1.10) is needed for all testing. Section 2.20 is needed for scales and section 3.30 is needed for liquid measuring devices from Handbook 44.*

The General & Illinois Addendum tests must be taken along with the test(s) for the device type(s) you will be servicing (see below).

**You will need the above information/documents on the day of testing.**

Please call for a testing appointment date.
We would appreciate notification if you cannot keep your appointment.
