*Please request a Stakes Booklet from the racetrack, or confer with individual fair management as the only authority.*

*The Illinois Department of Agriculture requires that all Standardbred foals be duly certified with the Bureau of Horse Racing in order to participate in the Illinois Standardbred Breeders Fund program. A certificate is issued to the owner of the foal at the time of Illinois registration and is passed on from owner to owner; this certificate must be transferred into the new owner's name as soon as possible after purchase.*

**GUIDELINES FOR ILLINOIS LIVESTOCK PREMISES  
REGISTRATION  
REQUIREMENTS FOR 2016 EXHIBITION**

Livestock Premises Identification/Registration is part of the National Animal Identification System (NAIS), which is a state/federal/industry cooperative program intended to identify animal premises by assigning a unique number (a Premises Identification number) to each location where livestock (including equine) poultry, and/or rabbits are born, managed, marketed or exhibited. Premises registration is critical to protecting Illinois' livestock industry as it helps animal health officials minimize trace back times in the event of an animal disease outbreak.

A Premises ID is for the location animals are produced and/or raised.

The Premises ID number may or may not be registered in the exhibitor's name as it relates to location of the animal and not ownership.

Premises registration is free and can be performed on line at ([www.agr.state.il.us/premiseid](http://www.agr.state.il.us/premiseid)) or by calling 1-866-299-9256 for a paper form. A printable postage paid registration form is also available at the website. When registering on line, you will be immediately issued the Premises ID number. When mailing in a paper form, you may need to allow 3-4 weeks to be issued a number. Those from other states can go to:

[http://animalid.aphis.usda.gov/nais/premises\\_id/register.shtml](http://animalid.aphis.usda.gov/nais/premises_id/register.shtml)  
or contact their respective state's agriculture department.

## **DRUG POLICY FOR 2016**

The Illinois Horse Racing Act provides that Standardbred races held at county fairs and the Illinois State Fair which receive funds for the Illinois Standardbred Breeders Fund shall be held in accordance with the rules of the United States Trotting Association (U.S.T.A.). The Executive Vice-President of the U.S.T.A., at the request of the Department of Agriculture, authorizes the collection and testing of any horse racing at any non-pari-mutuel meets in Illinois. The rules of the U.S.T.A. provide that judges at any meeting (other than those governed by the state racing commission) may order any horse in any heat or race to be subject to a saliva, blood, or urine test for the purpose of determining the presence of any drug, stimulant, depressant, sedative or other unapproved medication.

The horse races conducted at any County Fair are subject to the requirements of the U.S.T.A. and may authorize drug testing of your horse. During the taking of the saliva, urine or other sample by the veterinarian, the owner, trainer, or authorized agent must be present at all times. Samples shall be placed in two containers and shall be immediately sealed and the evidence of such sealing indicated thereon by the signature of the representative of the owner or trainer. One part of the sample is to be placed in a depository under the supervision of the presiding judge until such time as the report of the chemical analysis of the other portion of the split sample is received. Should a positive report be received, an owner or trainer shall have the right to have the other portion of the split sample inserted in with a subsequent group being sent for testing or may demand that it be sent to another chemist agreeable to the Illinois Department of Agriculture for analysis, the cost of which will be paid by the party requesting the test.

Whenever at a non-pari-mutuel meeting there is a positive test finding the presence of any drug, stimulant, depressant, sedative or unapproved medicant present in the post race test the laboratory shall immediately notify the presiding judge who shall immediately report such findings to the Executive Vice-President of the U.S.T.A. When such positive report is received by the presiding judge, the persons held responsible shall be notified and a thorough investigation shall be conducted by or on behalf of the judges. A time shall be set by the judges for a hearing shall not exceed 4 racing days after the responsible persons were notified.

The hearing may be continued, if in the opinion of the judges, circumstances justify such action. In the event the judges are unable to perform this action, Executive Vice-President of the U.S.T.A. shall forthwith set a date for a prompt hearing to be conducted by him or some person deputed by him for the purpose of determining all matters concerning the administration of such drug, stimulant, sedative or depressant and the care and the custody of the horse from which the positive sample was obtained.

## **2016 County Fair Racing Suggestions**

Due to an anticipated shortage of Illinois Conceived and Foaled (ICF)

horses during the 2016 county fair racing season, the Illinois Department of Agriculture, with the advice and consent of the Illinois Standardbred Breeders Fund Advisory Board, is providing several suggestions to assist you in filling your race cards this summer.

1) You may offer substitute races on each racing day based on the horses that may be available to you. (These would be overnight races; not ICF stake races.) For your convenience, listed below are *possible conditions for sub races* that can be used for trotters or pacers:

- NW \$1,000 in 2016
- ICF NW \$1,000 in 2016
- NW \$3,000 in 2016
- ICF NW \$3,000 in 2016
- FM NW \$3,000 in 2016
- ICF FM NW \$3,000 in 2016
- NW \$1,000 last 5 starts
- \$5,000 claimer

2) If substitute races are offered, we'd be happy to post this information on our website. You can reach the Bureau of County Fairs and Horse Racing by calling 217/782-4231, emailing [rhonda.jachino@illinois.gov](mailto:rhonda.jachino@illinois.gov), or texting 217-685-5781. We will update the website, <https://www.agr.state.il.us/standardbred-horse-racing/>, as often as necessary so this information will be available to anyone who might be interested in entering their horses.

3) Colt Associations can work with their respective fairs to alternate ICF two and three year old divisions, when desirable. For example, one fair may offer ICF races for two year olds and a competing fair may offer races for ICF three year olds. In addition, your Colt Association representative may know area trainers or other horse owners who could provide extra entries for you.

4) All USTA rules will be followed. Due to the current state budget situation, however, the Department of Agriculture will be flexible regarding its county fair racing conditions. Please call your colt association representative should you have questions.

5) As a reminder, please send your name and email address to [kelly.beck@illinois.gov](mailto:kelly.beck@illinois.gov). She will be providing email updates on county fair racing schedules and another pertinent racing information throughout the summer.

***Please note these are only suggestions; nothing mentioned here is required for your fair.***

**2016 ILLINOIS COUNTY FAIRS  
GENERAL CONDITIONS COMMON TO ALL  
FIVE ILLINOIS COLT ASSOCIATIONS**

Individual Colt Associations and county fairs have established conditions and rules that are in addition to United States Trotting Association and Department of Agriculture rules. Owners and trainers should be familiar with the conditions for each Association in which they are competing. United States Trotting Association and Illinois Department of Agriculture rules will govern when not covered in these conditions.

All County Fairs are strongly encouraged to display their U.S.T.A. license on the race-office wall so that the license will be visible to anyone who enters the race office. Anyone who requires to be licensed must be able to prove to race officials that they are currently licensed by U.S.T.A. at time of race. Drivers who do not hold a current U.S.T.A. license are not eligible to drive in County Fair Races.

ILLINOIS COUNTY FAIR COLT ASSOCIATION RACING IN 2016 – Twenty-seven Illinois county fairs will host racing events with estimated purses *To Be Determined*. Please consult the schedule on the preceding page. For the County Fair Challenges that will be raced at DuQuoin State Fair, the points will be accumulated up to and through Sunday, August 21, 2016. Two starts in Colt Association Stake races before August 21, 2016 is required. Downstate Classic and the Stallion Stakes are considered Colt Assoc.

ELIGIBILITY – All 2- and 3-Year-Old colts and fillies must be Illinois conceived and foaled and registered with the Illinois Department of Agriculture. 2-Year-Old payment is not necessary to retain eligibility as a 3-Year-Old to these events.

NOMINATION & ENTRY PAYMENTS:

|          | <u>March 15</u> | <u>Entry Fee</u> |
|----------|-----------------|------------------|
| 27 Fairs | \$400           | \$50             |

A supplement of \$1,500 can be paid by May 15th if nomination payment deadline is missed. No refunds will be made for the nomination payment that is due on March 15th. If the payment is not received, the horse is not eligible to race at any of the county fairs in 2016.

March 15<sup>th</sup> nominations made payable to: Illinois Department of Agriculture  
Mailed to:

Illinois Department of Agriculture  
Horse Racing Program  
P.O. Box 19281  
Springfield, IL 62794-9281

ENTRIES: Three-Day (72-Hour) Box in effect for all county fairs hosting Colt Association races in 2016. Entries will close at 10:00 am three days prior to the scheduled date of the race. The only exceptions to this rule in 2016 will be the DeKalb County Fair at Sandwich. Entries for DeKalb will close by 10:00 am, Sunday, September 4, 2016.

Entry payments are due and payable at the Superintendent of Speed's Office of the fair hosting the race. Stall rent, or a maintenance fee, may be an additional charge. Consult individual Colt Associations/county fairs.

NOTE: OWNER SOCIAL SECURITY OR FEIN NUMBERS AND COMPLETE AND CURRENT OWNER ADDRESS MUST BE PROVIDED AT TIME OF ENTRY.

A county fair hosting Illinois Colt Association racing will be required to provide a

locked box for declarations. The box may not be opened until the advertised time for the draw. In addition, no person whose name appears on the U.S.T.A. ownership record for a horse racing in Colt Association races on the date for which entries are being drawn will be allowed to sort entries. A race may be split on the sex of the horse, the owners, and the trainers, but under no circumstances should it be split for drivers.

PLAN OF RACING – The Department of Agriculture will require a minimum (after combining sexes) of four (4) horses entered for a race to qualify for state funds. Whenever eight (8) or more horses are entered, the races may be split into divisions. Note: The split must result in the lowest number of divisions possible, for example: 18 colts are entered - this will result in 3 fields of 6 . Fillies are to race in a separate division(s) whenever possible, provided at least four (4) of each sex are entered. However, if fewer than four (4) horses of either sex are entered, those horses will remain in the same division (regardless of owner/trainer entries) and additional horses of the other sex will be drawn in at random to complete a field of at least four (4) horses. When possible, consideration may be made for owner/trainer entries.

Whenever a race is contested in divisions composed of horses of like sex, the March 15<sup>th</sup> payments will follow the sex for which nominated. However, when a race consists of a division in which horses of both sexes are entered, the March 15<sup>th</sup> payments for colts and fillies will be combined and split equally among all divisions of the race. For this reason, the number of horses in each division should be as equal as possible. Example: 3 colts and 16 fillies are entered – race to be drawn as one division of 6 horses (3 colts and 3 fillies), one division of 6 fillies, and one division of 7 fillies.

EXAMPLES:

| # of Horses | of One Sex | Other Sex            | To Be Drawn As | 3/15 Payments        |
|-------------|------------|----------------------|----------------|----------------------|
| 1           | 3          |                      | one field      |                      |

PURSES are To Be Determined. **Please note:** Purses that include IDOA funds are subject to available funding.

The Department requires a minimum of four (4) horses to draw in. With five finishers, the percentages will be 50%, 25%, 12%, 8%, and 5%. The following percentages are to be utilized for races in which there are four (4) or less finishers: 4 finishers – 55%, 25%, 12%, and 8%, 3 finishers – 58%, 28%, and 14%, 2 finishers: 65% and 35%, and 1 finisher – 100%.

In the event a race is canceled for inadequate entries, the portion of the purse derived from the March 15<sup>th</sup> payment will be distributed among those entered. The Department has waived the requirement that a fair race a minimum of 6 heats to be considered a racing program and eligible for state funds.

ADDED MONIES – Purses are derived from Illinois Standardbred Breeders Fund, and Paragraph 49 added monies, nomination payments less deduction, entry payments, and individual fair contributions.

DEDUCTIONS - From those March 15<sup>th</sup> nomination monies collected, a disbursement will be made to all Colt Associations for that Colt Association's annual operating expenses. The balance of nomination and supplement fees will be paid to the Colt Associations to be distributed according to age, sex, and gait. Gait changes will be allowed at time of entry, but nomination money will stay with the gait as originally submitted.

SCRATCHES - Please be reminded that Illinois county fair harness racing operates under U.S.T.A. rules. Scratches must be reported to, and approved by, the Presiding Judge. We call your attention to U.S.T.A. Rule 14, Section 1(1), Drawing of Horses After Declaration. – “After declaration to start has been made no horse shall be drawn except by permission of the judges. A fine, not to exceed \$500, or suspension may be imposed for drawing a horse without permission, the penalty to apply to both the horse and the party who violates the regulation.”

STIMULANTS, DRUGS - Please refer to U.S.T.A. Rule 21. In an effort to promote the sport of harness racing and project a positive image of our sport, random drug testing will be conducted on urine and/or blood samples obtained from horses competing at Illinois county fair harness race meetings.

ALL HORSES RACING ON LASIX MUST HAVE A SLIP INTO THE RACING OFFICE PRIOR TO POST TIME.  
RANDOM TATTOO CHECKS WILL BE PERFORMED AT ANY OR ALL COUNTY FAIRS.

CONDITION REGARDING FREQUENCY OF STARTS – It will be a violation of the conditions governing Illinois County Fair Colt Association racing for a horse to be entered at two county fairs with races to be held on consecutive days. *Except, if a race is delayed due to a rain out, then a horse would be eligible to race on two consecutive days.* Further, it will be a violation of these conditions for a horse to race at two county fairs on the same day. *If, in the event of an unforeseeable condition other than a rain out, a race is delayed causing a horse to be scheduled to race on two consecutive days OR at two fairs on the same day, the owner or trainer will be required to make a choice and forfeit the entry fee at the fair at which he does not race.* For purposes of this condition a race may consist of multiple heats.

HUMANE CARE FOR ANIMALS ACT – (administered by the Department of Agriculture's Bureau of Animal Welfare). Each year the Department receives complaints regarding alleged abuse of horses racing at the county fairs. To promote the sport in the best possible light, and to be in total compliance with State humane laws, horsemen are asked to abide by the conditions regarding frequency of starts as stated above. It is recognized that the county fair season is short, but there are ample opportunities to race horses without overtaxing them.

In addition, abusive, excessive, or indiscriminate use of the whip or appearance thereof will be dealt with accordingly. Please review the U.S.T.A. Whipping Regulations, Rule 18, Section 9-11.

Be advised that complaints received will be turned over to the Department's Bureau of Animal Welfare and will be investigated. If abuse is found to have occurred, such act is punishable as a criminal offense under the authority of the Statutes of the State of Illinois.

NEGATIVE COGGINS TEST WILL BE REQUIRED - Effective January 1, 1995, all equine participants at organized (advertised) equine events are required to have proof of a negative Coggins test for EIA performed within the last 12 months.

***Please note: All estimated purses are subject to available funding.***
