    - b. Landfill or incineration likely

On March 12, 2013, Tri County Chemical in Eldorado, IL lost a 250 gallon tote of roundup that fell off a truck in town. This inspector spoke to Frank Rapp, the Plant Operations Manager at phone # 618/273-2071. Approximately 175 gallons of roundup was recovered on the street and the sewer was blocked with oil dry. The remainder was recovered with oil dry. There was a little on the grass at Griffin Plumbing Shop. Mr. Rapp was told to call IEMA. A site visit will be more than likely being conducted tomorrow.
