

## **INCIDENT REPORT**

**(SEPTEMBER 1, 2015– DECEMBER 1, 2015)**

AAA Cooper – October 1, 2015 – Bensenville (Cook Co.): The incident involved the release of approximately 300 gallons of mosquito fogging liquid pesticide from a steel tote during forklift transfer. The spill occurred on the property of the aforementioned facility (a trucking/shipping company) located at 611 Eagle Dr. in Bensenville. It was indicated that product had reached nearby storm drains.
